EMERGENCY INSTRUCTIONS

Accident  
Report the emergency. Give first aid. Stay with the victim.

Fire  

Earthquake  
Drop and take cover. Wait until the shaking stops to evacuate. 
Do not use elevators. Buildings will be examined before re-entry.

Power Outage  
Most outages are resolved quickly. Wait for situation updates.

IF THERE IS AN EVACUATION

• Go to the nearest Emergency Assembly Point (EAP).
• Every Stanford University building has an EAP.
• Nearest EAP ____________________________
• Call or text an out-of-area emergency contact.
• Name ____________________________
• Name of Conference or Sponsoring Department

Wait for instruction after an evacuation. Be patient. Listen to bulletins and updates on the Stanford Emergency Information Hotlines and on KZSU (90.1 FM)
