In order for us to assist you in planning your meals, we ask that you read the following information and familiarize yourself with our policies and procedures. Please do not hesitate to contact us should you have any questions.

**DINING PACKAGE A:**
Dining Package A consists of breakfast, lunch and dinner, served in the dining halls where the conferees are assigned to eat. Anyone living in residence is required to take a full Dining Package. A Dining Package starts with the next available meal after check-in, and ends with the last available meal prior to checkout.

**DINING PACKAGES B OR C (COMMUTER PLAN):**
Dining Packages B or C are dining plans for commuters and are available to individuals not staying on campus. Charges for Dining Packages B or C are based on the number of commuter meal cards ordered. Final guarantee must be received in writing seven business days prior to the group's arrival. The Group will be held to 95% of the final guarantee. Any increase over 5% of the final guarantee will be charged a 25% premium. Commuters bringing their own food must consume their meal outside the dining area. The dining areas are reserved for paying customers only.

**MEAL CARDS:**
Your attendees will be identified at the dining hall by their meal cards. They must have their meal cards or guest meal tickets to enter the dining hall. These meal cards are non-transferable. Lost meal card replacement will be charged to the conference at $15.00 per card.

**GUEST MEAL TICKETS:**
While R&DE Stanford Dining welcomes guests who may be joining you during the conference, we require that all guests use meal tickets or pay by credit card at the dining hall. Guests paying by credit card at the dining hall will pay the walk-in meal price. Guest meal tickets can only be purchased in advance. Unused tickets must be returned to the Dining Conference Program Manager at the reconciliation meeting when your program ends in order to receive credit for the unused tickets.

**MEAL OMITS:**
For flexibility, conference groups may omit one meal per week (1 per 7 days) throughout their conference. Conferees having ten (10) meals or less do not have the option to omit a meal.

**MEAL SUBSTITUTION:**
You may substitute a meal in your Dining Package with a catered function of equal or greater value through Stanford Catering only. The Dining Conference Manager must be informed twenty (20) business days in advance if you are substituting a Dining Package meal with a meal catered by Stanford Catering. **Failure to properly inform the Dining Conference Program Manager of your substitution will result in being charged for both the Dining Package meal and the catered event.**

**DINING LOCATIONS:**
We reserve the right to move groups, due to operational necessity, to an alternate dining hall. If unable to meet minimum numbers to maintain keeping a dining hall open, you will be assisted with alternative dining options.
SEATING:
The dining halls have an open seating policy, so please note that you will be dining with other groups. Any question regarding seating specifics should be directed to your dining conference manager or dining hall manager.

MEAL TIMES:
Conferences/Groups are required to adhere to the meal start time listed in their contract. If you arrive late to a meal, you must check with the dining manager before entering the serving area as other groups may already be dining. The manager will let you know the next available time that you can enter the serving area based on the meal schedules of other conference groups.

SPECIAL DIETARY NEEDS:
Stanford Dining will make every possible effort to ensure your participant’s dietary needs are met. A 2018 Summer Conferences Special Diet Request Form is available for Conferences/Groups to send to all of their participants. If a participant has a special dietary need or food allergy, please have them complete the 2018 Summer Conferences Special Diet Request Form. The form must be returned to you and have them cc nutritionist@stanford.edu. It is the conferences responsibility to know which participants have food allergies and/or special dietary needs and to be of assistance during meals.

Bar-B-Q:
R&DE Stanford Dining will be happy to prepare a Bar-B-Q at the dining hall for your group with a minimum of 25 people. Any Bar-B-Q not hosted at the dining hall or the surrounding courtyards and fields must be ordered from R&DE Stanford Catering. For more information, please see the Bar-B-Q menu for details.
