COVID-19 Safety for Programs, Conferences, Events & Gatherings

- **Travel / Quarantine**
  - Fully vaccinated, returning from domestic travel: No period of restricted activity.
  - Not fully vaccinated, returning from domestic or international travel: Restrict activities (as defined below) until receiving a negative Day 5 test result.
  - Fully vaccinated, returning from international travel: Restrict activities until receiving a negative Day 0 test result. After receiving a negative Day 0 test result but before receiving a negative Day 5 test result, resume in-person activities but refrain from indoor public dining and continue wearing face coverings indoors and in crowded spaces.
