**How do you want your group to be reunited?** Rank your options in order of preference. Include the residences where you would like to be reunited and how you would like to be grouped if your entire group cannot be completely reunited. Attach an additional page if necessary. (For example: If we cannot all be reunited in the same residence, student A and student B would like to live together, and student C would like to live alone. Please follow the rankings on our original applications.)
