studenthousing.stanford.edu
This is an exciting year in Residential & Dining Enterprises (R&DE) Student Housing. When the new Escondido Village Graduate Residences (EVGR) open in the fall, we will welcome an additional 2,423 graduate students to their new Stanford homes. This represents a net increase of 1,200 spaces (for a total of 7,200 spaces) and means we will be able to offer on-campus housing to many more students than we have in the past. We strongly encourage all students interested in living on campus to apply through the lottery as even those without housing priority may be assigned to campus housing.

Stanford offers a variety of on-campus housing options for graduate students. Apartment configurations range from studio to four bedrooms, suitable for singles, couples and students with children.

This guide provides important application information and descriptions of the graduate residences. It is also available online at thelottery.stanford.edu.

HOW TO APPLY

Apply online through Axess (axess.stanford.edu). Submit your application between April 3, 2020 and May 7, 2020 to participate in the first round Lottery.

- New students are only guaranteed housing if they apply by the May 7 deadline, and select “assign me to any residence for which I am eligible” as their final application choice.
- Continuing students must renew by the May 7 deadline.

If you apply after the May 7 deadline, you will receive a sequential application number based on the date you submit your application.

You will need a SUNet ID to apply for housing. Instructions for obtaining a SUNet ID are included in your admission mailing. Please set up your SUNet ID immediately after receiving your letter of admission. You should be able to apply for housing in Axess within about 48 hours of creating your SUNet ID.

On your application, you will select the quarter you want your housing to start, your category of housing (single, couple without children, or student with children) your requested move-in date, and rank all your residence choices.

To improve your chances of being assigned to your desired housing, rank ALL apartment locations in the order you would like to be assigned until you have no further preferences.

If you would like to move into housing starting in summer 2020, submit two applications by the May 7 deadline, one for summer 2020 and another for the 2020-21 year starting in autumn.

DISABILITY/MEDICAL ACCOMMODATIONS

If you, your spouse, partner or child have particular housing needs due to a documented disability or medical condition, you may participate in the Medical Accommodation Lottery, which takes place prior to the main Lottery. More information is available at rde.stanford.edu/studenthousing/medical-accommodations

- Register with the Office of Accessible Education by March 30. oaeconnect.stanford.edu
- Submit a housing accommodation request form with the Office of Accessible Education between March 23 and April 13.
- Submit a housing application in Axess by April 13.

REASSIGNMENTS

After the Lottery assignments are announced, students may apply for reassignment. Reassignments will begin each quarter after the demand from unassigned students is met.

If your family status changes, you should apply for housing in your new category as soon as you know about the change in family status.

ROOMMATES IN SHARED HOUSING

If you are a single student assigned to a shared apartment, your roommate will be matched based on the roommate preferences you list on your application.

If you would like to live with specific friends, you are able to apply with a group of up to four students. If all group members have the same priority level and are the same gender, they are likely to be kept together.

rde.stanford.edu/studenthousing/applying-group-graduate-housing

For information on applying with friends of different genders: rde.stanford.edu/studenthousing/gender-neutral-housing
How Assignments Are Made

R&DE Student Housing uses a lottery to assign housing to graduate students. You are assigned according to (1) your assignment priority level, (2) a random lottery number and (3) your housing choices.

When the program gets to your priority level and lottery number, it will place you into the highest available residence on your preference list. If all of the residences you have listed are full, you will be assigned by your final choice.

If you select “assign me to any residence for which I am eligible,” you could be assigned to any housing option except the most expensive housing options in Munger and the GSB Residences. The system will assign you to a residence that is left over at the end of the process.

If you select “assign me only to the residences I have listed,” you will not be assigned if we cannot assign you to a residence you have listed. First-year students who select this option and are not assigned in the first round will be able to join future assignment rounds with high priority but are no longer guaranteed.

In either case, we strongly recommend that you rank as many choices as possible to improve your chance of being assigned by your preferences.

First-Year Graduate Students

If you are enrolled in a Stanford grad degree program for the first time, housing is guaranteed for your first year if:

- You apply by the Lottery deadline – May 7, 2020.
- You select “assign me to any residence for which I am eligible” as your final application choice. (Students selecting this choice will not be assigned to Munger or the GSB Residences unless they have specifically listed them.)

If you apply after the deadline or have restricted housing choices, you will lose your first-year guarantee. However, you will still be considered with high priority for housing before continuing students and students with no priority.

Your first-year assignment priority is only effective during your first academic year of graduate study. It cannot be used later even if you are admitted to an additional degree program.

Students beginning a second graduate degree program are considered continuing students. Co-terminal students are considered continuing students with a low priority and are not guaranteed housing.

Continuing Students

After Your First Year

Your options after your first year are based on your housing priority. (See chart on next page.)

- Students with medium or high priority who want to stay in the same on-campus apartment may be able to renew annually and bypass the May Lottery. (All tenets of this can be done in Axess.)
- Students who want to change residences or who are not eligible to renew their housing should join the May Lottery.

Priority by Degree

Random Lottery Number

The best numbers (lowest numbers) are randomly assigned to students who apply for housing by the Lottery deadline. Students who miss the May deadline will receive a sequential number based on the date the application was submitted.

Assignment Priority is determined by:

1. Your student status (first-year or continuing graduate student)
2. Your degree program (Ph.D., master’s, etc.)
3. The total number of years you have lived in graduate housing

Programs Housing Category YR 1 YR 2 YR 3 YR 4 YR 5 YR 6 YR +7

G/H = High Priority | Can apply through Lottery
L = Low Priority | Cannot renew but can apply through Lottery
M = Medium Priority | Can renew if in on-campus housing
N = No Priority | Cannot renew but can apply through Lottery

- Students in the first year of their first graduate degree program at Stanford (does not include co-terminal students) are guaranteed housing, (G) if they apply by the Lottery deadline and are willing to accept any assignment.
- First-year students who miss the deadline or are not willing to accept any assignment are no longer guaranteed but are given a high priority (H) and are considered for housing before students with lower priority levels.
- Students in the first year of eligibility for graduate housing who have used their four years of undergraduate housing are automatically assigned a high priority as first-year students, since they will not be able to renew in place.

- Master’s students applying for a second year of housing who are living in single graduate or couple without children housing.
- Co-terminal students in the first year of eligibility for graduate housing who have used their four years of undergraduate housing.
- Students who have used their housing priority years.
- Non-matriculated students, such as postdoctoral scholars and visiting researchers.

Special Off-campus Priority for Lottery 2020

Doctoral students living in the off-campus subsidized apartments will have a special priority when they apply for housing in the 2020 Lottery for their same category of housing. They will be assigned ahead of first-year students, since they will not be able to renew in place.
ON-CAMPUS GRADUATE HOUSING CHOICES

Graduate Housing
Stanford offers housing to single students, students with domestic partners of any gender, and students with children. All housing is smoke-free. Pets are not allowed, although some animals are approved for medical reasons. Graduate residences include studios and apartments with one to four bedrooms. Information on housing choices can be found on pages 6-11 or at studenthousing.stanford.edu/housing-options.

In Every Apartment
Students can expect bedroom furnishings such as a bed, dresser, nightstand, closet, desk and desk chair. Kitchens are generally equipped with refrigerator/freezer, electric stove, self-cleaning oven, and sink with garbage disposal. Living spaces are commonly furnished to include coffee table, dining room table with chairs, raised small table with chairs, or counter with chairs and a sofa. Residents pay no additional charge for utilities (water, heat, electricity, garbage, sewer). Wifi and long-distance VoIP calling is available in all residences and is included in your quarterly technology fee.

Rains Houses
One of Stanford’s largest housing complexes, Rains accommodates single students in two-bedroom, one-bath and four-bedroom, two-bath apartments located in three-story buildings clustered around lawns and courtyards. This residence includes fragments of the Hacienda – an adobe winery built in 1875 – and a restored Buttery from the same era.

Lyman Graduate Residences
Located on the west side of campus, close to the Medical Center and the Science and Engineering Quad, this complex includes two residential buildings housing single students in two-bedroom, one-bath apartments. Common areas are located in the central commons building.

GSB Residences
Stanford’s Graduate School of Business (GSB) manages the GSB Residences, located across from the GSB on Jane Stanford Way. Jack McDonald Hall and Schwab Residential Center offer studio apartments with shared kitchens. Most spaces are assigned to first-year GSB students.

Note: The GSB Residences are not automatically included if you indicate on the housing application that you are willing to be assigned anywhere.
Munger Graduate Residence
Conveniently located, Munger’s five apartment buildings are adjacent to the Law School and a short walk from White Plaza. Studios and a limited number of one-bedroom apartments are available to couples. Studios, two- and four-bedroom apartments are available for singles. Each student has a private bedroom and bathroom. Law students have priority for assignment for 50% of Munger spaces.

The Market at Munger, in Jacobson-Sorensen Hall, offers fresh produce, grab-and-go meals and a number of grocery and household items.

Note: Munger is not automatically included if you indicate on the housing application that you are willing to be assigned anywhere.

Kennedy Graduate Residences
in Escondido Village
Apartments include premium two-bedroom, two-bath apartments with shared living room and kitchen, junior two bedroom, two bath units with shared kitchens for single students, and premium studios available to couples. Each student has a private bedroom and bathroom.

Escondido Village & Escondido South Low Rises
Home to couples, families and single students in one- to four-bedroom apartments. These units are located in one- and two-story low rise buildings arranged around grassy fields, picnic areas and communal courtyards. Family apartments have fenced patios and access to gated play areas.

Escondido Village Mid Rises and High Rises
Five eight-story mid-rise buildings -- Abrams, Barnes, Hoskins, Hulme and McFarland -- offer one-bedroom apartments for couples without children. Each apartment has a sliding glass door that opens onto a balcony. In McFarland, all units have been remodeled into junior two-bedroom, one bath apartments for two single students. The kitchen was enclosed and the living room was converted into a second bedroom with a large closet and locking bedroom door. McFarland is assigned as a junior two-bedroom, one bath apartment for two single graduate students or as a one-bedroom, one bath compact for a couple. Lobbies, lounges, and other common spaces provide areas for social activities. Escondido Village also includes two 12-story towers, Blackwelder and Quillen. Each building has 110 junior two-bedroom, one bath apartments shared by two single students. Common spaces in each building include lounges for social activities, barbecue and picnic areas, computer clusters, and a piano practice room.

Escondido Village Studios
Six buildings in Escondido Village accommodate 834 graduate students in single-person and couples without children studio apartments. Each studio provides about 325 square feet of space, and combines living and sleeping quarters that include a kitchen and private bathroom. Common areas in each of the six buildings include lounges, computer clusters, and laundry facilities.
CAMPUS LIVING REIMAGINED

Escondido Village Graduate Residences (EVGR), Stanford’s newest on-campus residential community, combines functional floor plans with a host of features to help students feel at home. This includes support for academic endeavors, space to pursue personal passions, and plenty of opportunities to engage with a diverse community of your peers. With so much to offer, EVGR is destined to become the heart of graduate student life on campus.

**EACH RESIDENTIAL FLOOR INCLUDES**
- Wellness room
- Community room (kitchenette/TV lounge)
- Huddle rooms (multiple)
- Laundry room
- Three-stream recycle/trash chute room

**EACH RESIDENTIAL BUILDING INCLUDES**
- Student lounge
- USPS Mailroom (one mailbox per student; plus numerous USPS parcel lockers for packages)
- Game room
- Music practice rooms
- Makerspace

**COMMUNITY CENTER**
The first floor spaces of Buildings B and C, at the center of EVGR, provide a variety of common spaces open to all residents of EVGR and the Stanford graduate community.

- Community and meeting rooms
- Music/performance/recital room
- TV lounge
- Makerspace
- Aerobics and dance studios
- Multi-purpose space
- Game room
- Computer cluster
- Kids playroom
- Student Housing and Graduate Life Office offices

**THE PAVILION AND MARKETPLACE**
Building C is home to a marketplace that includes:
- Dinner meal plan*
- Grocery staples
- Grab-and-go meals
- Gourmet coffee roastery
- Teaching kitchen

*New Meal Plan: Students will be able to purchase dinner meal blocks for the all-you-care-to-eat dinner buffet.

The marketplace will also feature 24-hour keycard entry and innovative vending, to serve you around the clock.

The Pavilion, immediately adjacent to the marketplace in Building C, features a pub that will offer fresh and flavorful menu choices prepared with locally- and sustainably-sourced ingredients and vegan, vegetarian, and gluten-free options. The pub opens onto a spacious outdoor biergarten with soft seating and fireplace – the ideal spot to enjoy a meal in the sun with friends or family, study or meditate or grab a beer at the end of a long day. The pub will also feature a living and learning lab offering beer-making classes.

**APARTMENT LAYOUTS**

- **Premium Two-Bedroom, Two-Bath**
  - 647 units – 1,294 beds
  - 876 SqFt

### STUDENT HOUSING CHARGE DETAILS

- Monthly rates are provided for comparison purposes. Housing is billed quarterly depending on the number of days in each quarter.
- Both academic-year and year-round contracts are available.
- Rains Houses, Lyman Graduate Residences, Munger Graduate Residences, and Game Rooms in most complexes.
- Access to computer clusters, and common rooms such as lounges and game rooms in most complexes.
- Monthly rates include furnishings, utilities, phone, internet, laundry, access to computer clusters, and common rooms such as lounges and game rooms in most complexes.
- Stanford housing rates and other fees include furnishing, utilities, phone, internet, laundry, access to computer clusters, and common rooms such as lounges and game rooms in most complexes.
**GRADUATE INFORMATION CENTER**
The Graduate Student Information Center (GSIC) will be open from September 7 through September 21, 2020 in the Graduate Community Center (second floor, Bogata Room 212, 750 Escondido Road). The Center provides general information about administrative, academic and student life issues, plus resources for graduate students on campus and in Stanford's surrounding area. For more information, please check gsic.stanford.edu/gsic-services/graduate-student-information-center.

**GRADUATE STUDENT GATEWAY**
The Graduate Student Gateway gradgateway.stanford.edu is a one-stop resource for incoming grad students providing important information before and after your arrival.

**MOVING IN**
- Check-ins are generally from 1 p.m. to 4 p.m. at your Housing Front Desk. Contact your Housing Front Desk if you need to check in earlier than the established move-in dates or outside of posted Front Desk hours: housingfrontdesks.stanford.edu.
- If you cannot check in during our business hours, Monday-Friday, 8 a.m. - 5 p.m., please call (650) 725-1602 for after-hours check-in assistance. When calling that number, a Student Housing representative will meet you at the respective Front Desk or designated area to provide you with your apartment keys. Please have your picture ID ready.
- Housing charges will be prorated based on your selection of the listed move-in dates.
- If you apply to move into housing the summer before starting your program, remember access to university information, visit guesthouse.stanford.edu. Short-term housing is also available on campus through Stanford information, visit guesthouse.stanford.edu.
- Pre-Clinical MD and MSPA students have a special process to request an earlier move in before orientation. Not all pictures will be available for early arrival.
- Although you won't have utility bills while living on campus, you can still obtain a bank account and cell phone bill with your new address.
- It is important that you ensure your child has had the appropriate immunizations so registration is not delayed. (Go to pausd.org for details.) The TB Risk Assessment form must be completed by a U.S. health professional. International students should plan on doing this as soon as possible after arrival in the U.S.
- There is a small possibility that there will not be space at the closest school to your home. If so, you will be assigned to another PAUSD school and have priority to move to the closest one when space is available.

**VISITING CAMPUS OR ARRIVING EARLY?**
The Stanford Guest House welcomes you with convenient, comfortable accommodations near campus. For more information, visit guesthouse.stanford.edu. Short-term housing is also available on campus through Stanford Conferences from August 17 to September 10, 2020. For more information, visit summerhousing.stanford.edu.

**STUDENTS WITH SCHOOL-AGED CHILDREN**
The Palo Alto Unified School District (PAUSD) is one of the top districts in the United States so it can be competitive to secure a space in the schools near campus for your child.
- You can begin the registration process once you have your apartment address (sent to you by early July) and finalize it after you move in.
- Once you have your address, go to pausd.org/registration/new-student-registration-process for information on how to register your child for school and what documents you need to provide.
- Although you won't have utility bills while living on campus, you can still obtain a bank account and cell phone bill with your new address.
- It is important that you ensure your child has had the appropriate immunizations so registration is not delayed. (Go to pausd.org for details.) The TB Risk Assessment form must be completed by a U.S. health professional. International students should plan on doing this as soon as possible after arrival in the U.S.
- There is a small possibility that there will not be space at the closest school to your home. If so, you will be assigned to another PAUSD school and have priority to move to the closest one when space is available.
