OFF-CAMPUS HOUSING OPTIONS FOR 2020-2021

IMPORTANT NOTE ABOUT OFF-CAMPUS HOUSING:
While off campus housing choices will be available to rank on your 2020-21 Lottery application, assignment to these spaces will be based on overall applicant demand and COVID-19 related requirements. Students listing these choices should also rank on-campus housing options. Given the uncertainties of the COVID-19 situation, students assigned to off-campus, subsidized housing should know that they may have to relocate to campus during the academic year due to emerging circumstances. If students are assigned off-campus for 2020-21, they are not able to renew for 2021-22 and may not sublicense their assignment.
