Because we do not know the number of spaces we will assign off-campus, students listing these choices should also rank on-campus housing options. It is important to note that students assigned to these off-campus complexes may have to relocate to campus during the academic year if demand for on-campus housing changes. Students will not be able to renew for 2022-23.		
Air Conditioning In Unit	Close to Grocery Store	Close to Shopping	Laundry On-Site							IMPORTANT REMINDERS FOR ALL OFF-CAMPUS SUBSIDIZED APARTMENTS: <ul style="list-style-type: none"> Smoking is prohibited on-site at all Off-Campus housing locations, including common areas, all buildings, and adjoining grounds. You must go out to the street to smoke. Stanford University does not allow pets of any kind in apartments, even if a property is pet-friendly. Sublicensing is not permitted within off-campus subsidized apartments. Renter's Insurance is strongly recommended to protect your personal property.
