

Gender Neutral Sublicense Addendum

This agreement is made this _____ day of _____, 2018, by and between _____ ("License Holder") and _____ ("Sublicensee"), _____ ("Sublicensee") and _____ ("Sublicensee") with regard to the graduate student apartment located at _____ being sublicensed from (MM/DD/YY) _____ to (MM/DD/YY) _____ .

In the event that a sublicense agreement is approved, it will be with the condition that if one of the license holders moves out of the apartment during the sublicense period, it may be necessary to terminate the sublicense agreement, at the discretion of Student Housing through the Housing Assignments office.

We, the undersigned, understand that if we cancel our sublicense agreement or fail to renew, permission for a gender-neutral sublicense agreement may be withdrawn.

I/We, the license holder(s), agree to renew our housing contract for 2018-19 if this is a summer sublicense.

I/We, the Sublicensee(s), acknowledge that this location is designated as gender-neutral, that it is conceivable that I may end up living in the apartment with a person of the opposite gender and agree not to cancel before or during the agreed term, referenced above.
