

ADDENDUM I

Support Animal Applicant Agreement to abide by the “**Service Animals and Support Animals in Stanford R&DE Student Housing Policy**”

By my signature below, I verify that I have read, understand, and will abide by this Policy, including but not limited to the animal care and control requirements specified in Section V and as further required by the laws of the County of Santa Clara. I acknowledge that bringing an animal into Student Housing involves taking on a serious responsibility to both the animal in terms of its well-being and to other members of the community in regard to theirs. I understand that failing to abide by the applicable terms of the Policy relating to a Support Animal may be found to be a violation of the University Housing Agreement and a violation of the Fundamental Standard. I agree to provide the additional information required to complete my Request for a reasonable accommodation under this Policy.
